

# *Burdwan Model School*

## EVENTS CALENDAR

**Burdwan Model School** is the dream transformed into reality by the Oriental Association for Education and Research Society. The society comprises renowned industrialists, entrepreneurs, philanthropists, academicians, physicians, and management experts who envisioned a comprehensive, skill-based institution with both residential and day-boarding facilities.

Inspired by the educational philosophy of Rabindranath Tagore, the society established an institution where a child can begin their academic journey at the Nursery/KG level and continue seamlessly up to the Postgraduate level under one roof, ensuring holistic development and complete satisfaction.

Recognizing the need to revisit traditional teaching methodologies in light of rapid globalization, the society founded **Burdwan Model School (BMS)** in a serene environment away from the hustle and bustle of city life.

### **Motto**

**“Tamso Ma Jyotirgomaya”** – From Darkness to Light

At BMS, students are encouraged to explore, question, and seek answers independently. The school is committed to character-building and nurturing young minds through a harmonious blend of rich Indian traditions and cultural heritage with the progressive advantages of modern Western education.

We believe education is not merely academic instruction but a process of inner enlightenment. BMS remains steadfast in its commitment to “man-making” through the promotion of quality education for all.
